

### **Friends of Repton - Purpose and Aims**

1. To represent parents, and act as an open forum for debate and constructive discussion, on non-core educational issues.
  - a. General educational issues could be raised via the Repton Parents Committee Chair or directly with the Headmaster and/or the Deputy Headmaster.
  - b. With the agreement of the Headmaster, the Repton Parent Committee Chair could also convene a Parents Sub-committee to examine or explore specific non-core educational issues with the aim of reporting back to the Headmaster and the Repton Parents Committee any findings or recommendations resulting from the Sub-committee.
2. To promote social activities for parents and organize events that support the enrichment and development of the whole school community, involving parents, school staff and children.
3. To raise funds for charity (normally for the charity or charities supported by the Repton School Abu Dhabi at the relevant time).
4. To raise funds, as appropriate and as agreed between the Headmaster and the Repton Parents Committee Chair, for the School and for the good of the children.
  - a. Such funds will be spent on “extras” and pastoral projects, not on capital works or on projects that relate directly to the educational curriculum.
