

24th February 2025

Dear Parents,

Repton Abu Dhabi Scholarships 2025-26

I am delighted to announce the start of this year's Repton Abu Dhabi Scholarship Programme for the academic year 2025-2026. The Governors have agreed to fund scholarships (10% off tuition fees for Y5-Y13) which reflect the values and vision of our school. Beyond the financial benefits, being awarded a Repton scholarship is recognition of exceptional achievement and is highly beneficial for future academic applications.

Scholarships are awarded to suitable candidates (Internal and External) from the start of Term 1, 2025-2026, and are tenable for the student's time at Repton Abu Dhabi, subject to high standards of behaviour, performance, and engagement in academic, musical, artistic, sporting, and innovative activities, at the discretion of the Principal.

Scholarships will be considered in the following areas:

- Academic: awarded to students with the ability and commitment to be academic leaders at Repton. The school is looking for outstanding students, who are curious, inquisitive and enjoy their studies.
- Music: awarded to talented musicians who are prepared to make a strong contribution to the Music Department at Repton, and are prepared to support musical performance groups at the school.
- Art: awarded to talented artists who are prepared to make a strong contribution to the Art Department at Repton, and are prepared to participate in both internal and external Art competitions as well as create a diverse portfolio over the course of the year.
- Sport: awarded to students with strong sporting credentials, who will promote sportsmanship, team work, leadership and fair play, and who will be ambassadors for Repton sports teams.
- Innovation: awarded to students who demonstrate entrepreneurial attributes, with the ability and commitment to be digital leaders, and who will represent Repton at internal and external events.
