

PARENTS' TERMS AND CONDITIONS

2025-26

Revised December 2024

INTRODUCTION

1. **These Terms and Conditions** form the basis of a legal contract for educational services. The terms and conditions are intended to promote the education and welfare of each student and the stability, forward-planning, proper resourcing and development of the School.
2. **Our prospectus** and website are not contractual documents.
3. **Managing Change:** Repton Abu Dhabi, as any other school, is likely to undergo a number of changes during the time your child is a student here.
4. **Documents referred to:** Before accepting the offer of a place, parents and students receive a copy of the School Rules and the Fees List. Parents also have an opportunity, on request, to see any of the other documents referred to in these Terms and Conditions.

TERMINOLOGY

5. **"The School"/"We"/"Us"** means Repton School Abu Dhabi in Abu Dhabi as now or in the future constituted.
6. **"Governing Body"/"Board of Governors"/"Governor/s"** means the Governing Body of Repton School Abu Dhabi FZ-LLC in Abu Dhabi, who are responsible for governance of the School.

8. **"The Parents"/"You"** means any person who has signed the Acceptance of Place Form and/or who has accepted responsibility for a child's attendance at this School. Parents are legally responsible, individually and jointly, for complying with their obligations under these terms and conditions. Those who have "parental responsibility" (i.e. legal responsibility for the child) are entitled to receive relevant information concerning the child unless a court order has been made to the contrary, or there are other reasons, which justify withholding information to safeguard the interests and welfare and best interests of the child.
9. **"The Student/Pupil"** is the child named on the Admission Form.

ADMISSION AND ENTRY TO THE SCHOOL

10. **Registration and Admission:** Applicants will be considered as candidates for admission and entry to the School when the Registration Form has been completed and returned to us and the Registration Fee paid. Admission will be subject to the availability of a place and the student(s) and parents satisfying the admission requirements at the time. **"Admission"** occurs when parents accept the offer of a place. **"Entry"** is the date when a student attends the School for the first time under this contract.

11. **Equal Treatment:** The School is a mainstream day school for boys and girls aged 3-18 years. The School welcomes children from many different ethnic groups, backgrounds and creeds. Human rights and freedoms are respected.
12. **Offer of a Place Payment Fee:** When Parents accept the offer of a place they will be required to pay the fees as per the payment schedule in Appendix A.

TRANSPORT

1. **Bus Transport Terms and Conditions:** By applying for bus transportation services, you acknowledge and accept that the bus service is subject to availability, allocated on a first-come, first-served basis, and may be withheld or discontinued if it risks fines for exceeding DOT time limits and/or regulations. The school strives to accommodate students while complying with DOT rules.

PASTORAL CARE

13. **Meaning:** Pastoral care is a thread which runs throughout all aspects of life at Repton School Abu Dhabi, and is directed towards the happiness, success, safety and welfare of each student and the integrity of the house and school community.
14. **Our Commitment:** We will do all that is reasonable to safeguard and promote your child's welfare and to provide the highest standard of pastoral care. We will respect your child's human rights and freedoms which must, however, be balanced with the lawful needs and rules of our school community and the rights and freedoms of others.
15. **Complaints:** Any question, concern or complaint about the pastoral care or safety of a student must be notified immediately to the relevant pastoral figure, or, in the case of a grave concern, must be notified in writing to the Principal and/or by telephone in a case of emergency.
16. **Principal's Authority:** The parents authorise the Principal to take and/or authorise in good faith all decisions which the Principal considers on proper grounds will safeguard and promote the student's welfare.
17. **Ethos:** The ethos of this School (see website/prospectus) must be such as to foster good relationships between members of the staff, the students themselves and between members of the staff and students. Bullying, harassment, victimisation and discrimination will not be tolerated. The School and its staff will act fairly in relation to the students and parents, and we expect the same of students and parents in relation to the School.
18. **Physical Contact:** Parents give their consent to such physical contact as may accord with good practice and be appropriate and proper for teaching and instruction and for providing comfort to a student in distress or to maintain safety and good order, or in connection with the student's health and welfare.
19. **Disclosures:** Parents must on application or as soon as possible when a condition is diagnosed, disclose to the School in confidence any known medical condition, health problem or allergy affecting the student, any history of a learning difficulty on the part of the student or any member of his/her immediate family, or any

family circumstances or court order which might affect the student's welfare or happiness, or any concerns about the student's safety.

20. **Confidentiality:** The parents authorise the Principal to override their own and (so far as they are entitled to do so) a student's rights of confidentiality, and to impart confidential information on a "*need-to-know*" basis where necessary to safeguard or promote a student's welfare or to avert a perceived risk of serious harm to the student or to another person at the School. In some cases, teachers and other employees of the School may need to be informed of any particular vulnerability the student may have. This is will be done with or without the consent of the student and/or parent. The School reserves the right to monitor the students' e-mail communications and internet use.
21. **Residence during Term Time:** Students are required during term time and at weekends, exeats (permitted periods of time away from school) and half term, to live with a parent or legal guardian or with an education guardian acceptable to the School. The Principal, or Head of Section, must be notified in writing immediately if a student will be residing during term time under the care of someone other than a parent.
22. **Absence of Parents:** When both parents will be absent from the student 's home overnight or for a twenty-four hour period or longer, the School must be told in writing the name, address and telephone number for twenty-four hour contact with the adult who will have the care of the student.
23. **Photographs:** It is the custom and practice of most international schools, and of Repton Abu Dhabi, to include some photographs or images of students in the school's promotional material such as the prospectus, website and social media platforms. Photos or images may also be used by Repton Abu Dhabi's parent company, Evolve Knowledge Investments Ltd, for promotional material for other schools within the group. We would not disclose the name or home address of a child without the parents' consent. The School also reserves the right to use images of a pupil who has left the School. Parents who do not want their child's photograph or image to appear in any such promotional material must notify the Principal of such in writing and must make sure their child knows their position in this regard.
24. **Student's Personal Property:** Students are responsible for the security and safe use of all their personal property including money, mobile phones, locker keys, watches, computers, calculators, musical instruments and sports equipment, and for property lent to them by the School.
25. **Insurance:** Parents are responsible for insurance of the student's personal property whilst at school or on the way to and from school or any school-sponsored activity away from school premises.
26. **Liability:** Unless negligent or guilty of some other wrongdoing causing injury, loss or damage, the School does not accept responsibility for accidental injury or other loss caused to the student or parents or for loss or damage to property.

HEALTH & MEDICAL MATTERS

27. **Medical Declaration:** Parents will be asked to complete a form of medical declaration concerning the student's health and must inform the Principal or Head of Section in writing if the student develops any known medical condition, health problem or allergy, or will be unable to take part in games or sporting activities, or has been in contact with infectious diseases. Students will not be allowed to join the School until this form has been fully completed and returned.
28. **Medical Examination:** All new students will have a routine medical examination and body screening done on entry with the School Medical Officer (or other doctor appointed by him/her), usually during the first term at the School.
29. **Student's Health:** The Principal may at any time require a medical opinion or certificate as to the student's general health.
30. **Medical Information:** Throughout a student's time as a member of the School, the School Medical Officer shall have the right to disclose confidential information about the student, if considered to be in the student's own interests or necessary for the protection of other members of the school community. Such information will be given and received on a confidential, '*need-to-know*', basis.
31. **Emergency Medical Treatment:** The parents authorise the Principal to consent on behalf of the parents to the student receiving emergency medical treatment, where certified by an appropriately qualified person necessary for the student's welfare and if the parents cannot be contacted in time.
32. Parents need to present an up to date vaccination certificate to the school and ensure all their children's vaccinations are kept up to date.

EDUCATIONAL MATTERS

33. **Our Commitment:** Within the published range of the School's provision from time to time, we will do all that is reasonable to provide an educational environment and teaching of a range, standard and quality which is suitable for each student, and to provide education to the highest possible standard.
34. **Organisation:** We must reserve the right to organise the curriculum and its delivery in a way which, in the professional judgment of the Principal, is most appropriate to the school community as a whole. Our policy on streaming and setting may change from year to year and from time to time, and will depend mainly on the mixture of abilities and aptitudes among the students and may take into account management of friendship groups. Any parent who has specific requirements or concerns about any aspect of their child's education or progress should contact their child's classroom teacher/tutor, or any other appropriate member of staff, as soon as possible, or contact the Principal or Head of Section in the case of a grave concern.
35. **Progress Reports:** The School monitors the progress of each student, and reports regularly to parents by means of progress and full written reports.

36. **PHSE:** All students will receive health and life skills education appropriate to their age in accordance with the curriculum from time to time, unless the parents have given formal notice in writing that they do not wish their child to take part in this aspect of the curriculum.
37. **Public Examinations:** The Principal may, after consultation with a parent and student, decline to enter a student's name for a public examination if, in the exercise of professional judgment, the Principal considers that by doing so the student's prospects in other examinations would be impaired and/or if the student has not prepared for the examination with sufficient diligence, for example, because the student has not worked or revised in accordance with advice or instruction from the staff.
38. **Reports and References:** Information supplied to parents and others concerning the progress and character of a student, and about examination, further education and career prospects, and any references will be given conscientiously and with all due care and skill but otherwise without liability on the part of the School.
39. **Information about Learning Difficulties:** At entry to the School, parents must provide the School with copies of all medical, psychological or educational assessments or reports. Such materials are a prerequisite in enabling the School to provide the best education for students. Failure to disclose any such information, including the deliberate withholding of information, may result in a student being asked to leave. Parents must notify the Principal in writing if they are aware or suspect that a student (or anyone in his or her immediate family) has a learning difficulty, and the parents must provide us with copies of all written reports and other relevant information. Parents will be asked to withdraw the student, without being charged fees in lieu of notice if, in the professional judgment of the Principal and after consultation with the parents and with the student (where appropriate), the School cannot provide adequately for a student's special educational needs. Remedial teaching provided by the School will be charged as an extra.
40. **Learning Difficulties:** The School will do all that is reasonable in the case of each student to detect and deal appropriately with a learning difficulty which amounts to a 'special educational need'. Our staff are not, however, qualified to make a medical diagnosis of conditions such as those commonly referred to as dyslexia, or of other learning difficulties.
41. **Screening for Learning Difficulties:** The screening tests available to Schools are indicative only: they are not infallible. Parents will be notified if a screening test indicates that a student has a learning difficulty. A formal assessment can be arranged by the School at the parents' expense or by the parents themselves.
42. **Moving up the School:** It is assumed that each student who satisfies the relevant criteria at the time will progress through the School and will ultimately complete the Upper Sixth (Year 13). Parents will be consulted before the end of the Spring term in Year 11 if there appears to be any reason why the pupil may be refused a place at the next stage of the School. Parents must give a term's notice in writing, in accordance with the Provisions about Notice, if they do not intend their child to proceed to the next stage of the School, or a term's fees in lieu of notice will be payable.

43. **School's Intellectual Property:** The School reserves all rights and interest in any copyright, design right, registered design, patent or trademark ("intellectual property"), arising as a result of the actions or work of a student in conjunction with any member of staff and/or other students at the School for a purpose associated with the School. The School will acknowledge and allow to be acknowledged the student's role in creation/development of intellectual property.
44. **Student's Original Work:** Copyright in the student's original work, such as classroom work, prep or homework, projects, internal examination scripts, paintings and computer generated material, belongs to the student. Most such work (but not examination scripts) will be returned to the student when it is no longer required for purposes of assessment or display. The parents consent for themselves and (so far as they are entitled to do so) on behalf of the student, to our retaining such work at school premises until, in our professional judgment, it is appropriate to release the work to the student. Certain coursework may have to be retained for longer than other work in order to reduce the risk of cheating. We will take reasonable care to preserve the student's work undamaged but cannot accept liability for loss or damage caused to this or any other property of the student by factors outside the direct control of the Principal and staff.
45. **School Trips:** A variety of school trips will be provided for your child while a student here. The cost of some school trips will be charged as an extra item. **Parents' prior consent will be sought for such trips.** School trips abroad or those in the United Arab Emirates involving an overnight stay will be the subject of a separate agreement with parents. The cost of the trip will be payable in advance. The student is subject to school discipline in all respects whilst engaged on a school trip. All additional costs of special measures (such as medical costs, taxis, air fares, or professional advice) necessary to protect the student's safety and welfare, or to respond to breaches of discipline, will be added to the bill.
46. **Continuity of Education:** In certain circumstances beyond the control of the School, such as a period of national mourning, the School may have to close. In these circumstances, provision will be made to ensure continuity of education for students.

BEHAVIOUR AND DISCIPLINE

47. **School Regime:** The parents accept that the School will be run in accordance with the authorities delegated by the Governing Body to the Principal. The Principal is entitled to exercise a wide discretion in relation to the School's policies, rules and regime and will exercise those discretions in a reasonable and lawful manner and with procedural fairness when the status of a student is at issue.
48. **Conduct and Attendance:** We attach importance to courtesy, integrity, good manners, good discipline and respect for the needs of others. Parents warrant that the student will take a full part in the activities of the School, will attend each school day, will be punctual, will work hard, will be well-behaved and will comply with the School Rules about the wearing of uniform.
49. **School Rules:** The School Rules will be published from time to time. Parents and students have an opportunity on request to see the current rules before they

accept the offer of a place. Parents are also responsible for their child's behaviour, and must follow school guidance.

50. **School Discipline:** Parents hereby confirm that they accept the authority of the Principal and of other members of staff on the Principal's behalf to take all reasonable disciplinary or preventative action necessary to safeguard and promote the welfare of each student and the school community as a whole. The School's disciplinary policy applies to all students when they are on school premises, or in the care of the School, or wearing school uniform, or otherwise representing or associated with the School.
51. **Investigative Action:** A complaint or rumour of misconduct will be investigated. A student may be questioned and his/her accommodation or belongings may be searched in appropriate circumstances. All reasonable care will be taken to protect the student's human rights and freedoms and to ensure that his/her parents are informed as soon as reasonably practicable, after it becomes clear that the student may face formal disciplinary action.
52. **Procedural Fairness:** Investigation of a complaint which could lead to expulsion, removal or withdrawal of the student in any of the circumstances explained below shall be carried out in a fair and unbiased manner. All reasonable efforts will be made to notify the parents or education guardian so that they can attend a meeting with the Principal before a decision is taken in such a case. In the absence of a parent or an education guardian, the student will be assisted by an adult (usually a teacher) of his/her choice.
53. **Divulging Information:** Except as required by law, the School and its staff shall not be required to divulge to parents or others any confidential information or the identities of students or others who have given information which has led to the complaint or which the Principal has acquired during an investigation.
54. **Drugs & Alcohol:** The Principal may from time to time put in place procedures under which a student may be given the opportunity to provide a urine sample, if involvement with drugs or substances is suspected, or a sample of breath to test for alcohol consumed in breach of school discipline. The Principal may draw such inferences as are reasonable if a student refuses or fails to submit for a sample or test.
55. **Terminology:** In these Terms and Conditions '**Suspension**' means that a student has been sent or released home for a limited period either as a disciplinary sanction or pending the outcome of an investigation. '**Withdrawal**' means that the parents have withdrawn the student from the School. '**Expulsion**' and '**Removal**' mean that the student has been required to leave ('**asked to leave**') the School permanently in the circumstances described below. '**Exclusion**' may be used as a general expression covering any or all of the other expressions defined in this clause.
56. **Sanctions:** The School's current policies on sanctions are available to parents on request before they accept the offer of a place. These policies may undergo reasonable change from time to time, but will not authorise any form of unlawful activity. Sanctions may include a requirement to undertake menial but not

degrading tasks on behalf of the school or external community, detention for a reasonable period, withdrawal of privileges, gating, rustication or suspension, or alternatively being removed or expelled.

57. **Expulsion:** A student may be formally expelled from the School if it is proved on the balance of probabilities that the student has committed a very grave breach of school discipline or a serious criminal offence. Expulsion is reserved for the most serious breaches. The Principal shall act with procedural fairness in all such cases. Parents will be given a copy of the review procedure current at the time. The Principal's decision shall be subject to a Governors' Review if requested by a parent. The student shall remain away from school pending the outcome of the Review.
58. **Fees after Expulsion:** If the pupil is expelled, there will be no refund of school fees for the current and past terms. There will be no charge to fees in lieu of notice but all arrears of fees and any other sum due to the School will be payable.
59. **Removal in other Circumstances:** Parents may be required, during or at the end of a term, to remove the student, temporarily or permanently from the School if, after consultation with a student and/or parent, the Principal is of the opinion that by reason of the student's conduct or progress, the student is unwilling or unable to benefit sufficiently from the educational opportunities offered by the School, or if a parent has treated the School or members of its staff unreasonably. In these circumstances, parents may be permitted to withdraw the student as an alternative to removal being required. The Principal shall act with procedural fairness in all such cases, and shall have regard to the interests of the student and parents as well as those of the School.
60. **Fees Following Removal:** If the student is removed in the circumstances described above, the rules relating to fees shall be the same as for expulsion.
61. **Leaving Status:** The expression 'leaving status' has reference to whether the student has been expelled, removed or withdrawn, and to the record which will be entered in to the student's file as to the reason for leaving, and the student's status as a leaver, and the transfer of the student's work to another educational establishment and to the nature of the reference which will be given in respect of the student, and also to the financial aspects of the student's leaving. These and any other relevant matters of leaving status will be discussed by the Principal with the parents and, where appropriate with the student, at the time of the Principal's decision.
62. **Governors' Review:** Parents may ask for a Governors' Review of a decision to expel or require the removal of a student from the School or from boarding (but not a decision to suspend a student unless the suspension is for 11 school days or more, or would prevent the student taking a public examination). **The request must be made as soon as possible and in any event within seven days of the decision being notified to the parents.** Parents will be entitled to know the names of the Governors who make up the Review Panel, and may ask for the appointment of an independent panel member nominated by the School and approved by the parent (approval not to be unreasonably withheld).

63. **Review Procedure:** The Principal will advise the parents of the procedure (current at that time) under which such a review will be conducted by a panel of up to three Governors (including an independent member if requested). If parents request a Governors' Review, the student will be suspended from School until the decision to expel or remove has been set aside or upheld. While suspended, the student shall remain away from School and will have no right to enter school premises during that time without written permission from the Principal.
64. **Complaints Procedures:** A formal complaint about any matter of school policy or administration not involving a decision to expel or remove a student must be stated courteously in writing to the Principal and, if unresolved, should be restated in writing to the Chairman of Governors. Every reasonable complaint shall receive fair and proper consideration and a timely response.

PROVISIONS ABOUT NOTICE

65. **Notice to be given by Parents** means (unless the contrary is stated in these terms and conditions) **a term's written notice addressed to and actually received by the Principal or Head of Section personally**. It is expected that parents will consult with the Principal or Head of Section before giving notice to withdraw a student.
66. **Notice** is valid only for the term in which it is given and only when written and accepted in writing by the Principal or Head of Section personally.
67. **Notice of Withdrawal from School:** Please note that the provisions about notice within this clause adhere to Abu Dhabi Department of Education and Knowledge (ADEK) guidelines on withdrawals and refunds. The School may retain a certain amount of the tuition fees in any of the following cases:
- **Registration Fees:** If parents fail to give written notice two weeks before the beginning of a term, the School is authorised to retain the value of the registration fee.
 - **Re-registration Fees:** The School is authorised to retain the value of the re-registration fee if parents fail to give written notice two months before the beginning of the academic year.
 - If parents give notice of withdrawal or the student attends School from one week and up to three weeks in a term, the School may retain the value of one full month of tuition fees. All other tuition fees paid will be returned.
 - If parents give notice of withdrawal or the student attends School after three weeks and within six weeks in a term, the School may retain the value of two full months of tuition fees. All other tuition fees paid will be returned.
 - If parents give notice or the student attends School after six weeks in a term, the School may retain full term fee. All other tuition fees paid will be returned.
 - The School reserves the right to deduct any paid re-registration fee for the next academic year, towards any outstanding amount for the current

academic year. In these circumstances, the student's re-registration will be cancelled until all outstanding fees are settled (tuition fees and re-registration).

As per ADEK regulations, the value of the school fee per month is calculated by dividing the total annual tuition fees by ten.

No refunds will be paid until the student has been given clearance by the class teacher, Librarian, the Principal and the Finance Department. No refunds will be paid until the student has left the school.

If an applicant/student qualifies for a refund in accordance with this Policy for Refund of Fees, but has an outstanding balance due from other transactions (including sibling accounts), the net refund amount will be the qualifying refund amount less the outstanding balance due from the other transactions.

68. **Prior Consultation:** It is expected that a parent or duly authorised education guardian will in every case consult personally with the Principal or with the Head of Section before a notice of withdrawal is sent to the School.
69. **Withdrawal by Student:** The student's decision to withdraw from the School shall, for these purposes, be treated as a withdrawal by the parents. A letter from the student's parent(s) or educational guardian is required to confirm the student's decision to withdraw.
70. **Discontinuing Extras:** A term's written notice is required to discontinue extra-tuition, such as music instrument tuition, or a term's fees for the extra tuition will be immediately payable in lieu as a debt.
71. **Termination by the School:** The School may terminate this agreement **on one term's written notice sent by courier or on less than one term's notice in a case involving expulsion or required removal.** The School would not terminate the contract without good cause and full consultation with parents and the student (if of sufficient maturity and understanding), and would offer the parents a Governors' Review of a decision to terminate.
72. The School believes that a positive and constructive working relationship between the School and a student's parent or guardian is essential for the fulfillment of the school's mission. Thus, the School reserves the right to terminate the contract at any time or to not re-enroll a student if the School reasonably concludes that the actions of a parent or guardian make such a positive and cooperative relationship very difficult or otherwise seriously interfere with the School's accomplishment of its educational purposes.

FEES

73. **Meaning:** 'Fee' and 'Fees' where used in these terms and conditions include each of the following charges where applicable: ***application fees; assessment fees; tuition fees; fees for extra tuition; exam fees; other extras*** such as transport, clothing and equipment, photographs and other items ordered by the parent or the student and ***charges arising in respect of school trips***, and ***damage*** where a student alone or with others has caused willful loss or damage to school property or the property of any other person (fair wear and tear excluded).

74. **Payment:** Parents undertake to pay the fees applicable in each school year according to the conditions and schedule attached hereto as Appendix A. Fees for day students are payable by cheque drawn on a UAE bank account. The School reserves the right to initiate legal action against a party who has signed a cheque in the event such cheque is returned unpaid for any reason whatsoever. Details of penalty charges for returned cheques and late payments are attached as Appendix A. If one or more items on the bill are under query, the balance of the bill must be paid.
75. **Refund/Waiver:** Fees will not be refunded or waived for absence through sickness; or if a term is shortened or a vacation extended; or if a student is released home after public examinations or otherwise before the normal end of term (provided that the School remains open to a student who wishes to stay at school during that period); or for any cause other than exceptionally and at the sole discretion of the Principal in a case of genuine hardship or where there is a legal liability under a court order or under the provisions of this contract to make a refund. This rule is necessary so that the School can properly budget for its own expenditure and to ensure that the cost of individual default does not fall on other parents.
76. **Exclusion for Non-Payment:** The right is reserved on 3 days written notice to suspend temporarily a pupil while fees are unpaid. Exclusion on these grounds is not a disciplinary matter and the right to a Governors' Review will not normally arise but the Chairperson of Governors has discretion if thought fit to authorise a review of the documentary evidence with or without a formal meeting with the parents. The School may also withhold any information, character references or property while fees are unpaid but will not do so in a way that would cause direct, identifiable and unfair prejudice to the legitimate rights and interests of the pupil. A student who has been suspended at any time when fees are unpaid will be deemed withdrawn without notice twenty-eight days after exclusion. In this case a term's fees in lieu of notice will be payable in accordance with the **Provisions about Notice**.
77. **Appropriation:** The parents agree that a payment made in respect of one child may be appropriated by the School to the unpaid account of any other child of those parents.
78. **Payment of Fees by a Third Party:** An agreement with a third party (such as a grandparent) to pay the fees or any other sum due to the School does not release the parents from liability if the third party defaults and does not affect the operation of any other of these terms and conditions unless an express release has been given in writing, signed by the Principal.
79. **Scholarships:** Every scholarship or other award or concession is a privilege and is subject to high standards of attendance, diligence and behaviour on the student's part and to the parents' treating the School and our staff reasonably. The terms on which such awards are offered, accepted or reviewed will be notified to parents at the time of offer. The value of a scholarship shall be deducted from fees before any bursary or other concession is calculated or assessed.

GENERAL CONTRACTUAL MATTERS

80. **Management:** It is our intention that the terms and conditions will always be operated so as to achieve a balance of fairness between the rights and needs of parents and students, and those of the school community as a whole. We aim to

ensure that the School, its culture, ethos and resources are properly managed so that the School, its services and facilities can develop. We aim also to promote good order and discipline throughout our school community and to ensure compliance with the law.

81. **Legal Contract:** The offer of a place and its acceptance by the parents give rise to a legally binding contract on the terms of these Terms and Conditions.
82. **Representations:** Our website and prospectus describe the broad principles on

which the School is presently run and gives an indication of our history and ethos. Although believed correct at the time of publication, the website and prospectus are not part of any agreement between the Parents and the School. **Parents wishing to place specific reliance on a matter contained in the website, prospectus, or a statement made by a member of staff or a student during the course of a conducted tour of the School or a related meeting should seek written confirmation of that matter before entering this agreement.**

83. **Third Party Rights:** Only the School and the parents are parties to this contract. The student is not a party to it. The acts and omissions of parents are binding on the student and vice versa as to any matter of behavior, discipline and fees. All requests and authorities by the parents are treated as being made on behalf of the student and vice versa.
84. **Choice of Law and Jurisdiction:** These Terms and Conditions shall be construed and governed by the laws of the United Arab Emirates and the School and Parents agree that any legal action or proceeding arising out of or in connection with these Terms and Conditions may be brought in the courts of the United Arab Emirates and the School and Parents submit to the non-exclusive jurisdiction of the courts of Abu Dhabi.
