Confirmation of Booking

Please be advised that you will receive a confirmation email to finalise your club booking. Club spaces are allocated on a first-come, first-served basis, and once a club reaches full capacity, no additional students will be able to join.

Attendance Responsibility:

It is your child's responsibility to attend the ECA. If your child needs to miss a session, please inform the club teacher and email ecas@reptonabudhabi.org. If a child misses two consecutive ECAs without a valid reason, they may be removed from the club, allowing new students to sign up.

Repton Sport: Our Programmes

At Repton, we believe in providing a tailored sporting experience for every student. From trying a new sport to competing at a high level, our three-tiered programme ensures everyone can find their place.

1. Repton ECAs (Extra-Curricular Activities)

Our ECAs are all about discovery and enjoyment in a positive, inclusive environment. Perfect for trying something new or playing for pure fun.

- Focus: Fun, exploration, and new experiences in a supportive setting.
- Led by: Enthusiastic Repton teaching staff.
- Schedule: Termly sign-ups. Sessions run Monday, Wednesday, and Thursday from 3:10 - 4:10 pm.
- Logistics: Transport is provided for all bus students attending these sessions.

2. Repton School Sports Teams

For the competitive student-athlete, our teams represent Repton in inter-school competitions. This programme is dedicated to developing skills, sportsmanship, and teamwork.

- Focus: Competition, teamwork, and nurturing the student-athlete.
- Coaching: Led by expert professional coaches.
- Structure: Regular training and weekly fixtures against other schools.

3. Enrich Me (Paid Programmes)

Our Academies offer premium, focused training for students seeking to excel in a specific sport. These programmes are an investment in advanced athletic development.

- Focus: High-level skill mastery, athlete wellness, and performance pathway development.
- Coaching: Led by dedicated professional Academy Coaches.
- Structure: Advanced, structured programmes with progressive skill-building.
- Note: This is a paid after-school programme.

Please note ....

Locations for all clubs will be confirmed (including any changes) with all students on the first day of ECAs.

Transportation

Buses will be available from 4:15 pm on ECA days only (Monday, Wednesday, Thursday). Please contact your bus supervisor to inform them of your ECA choices and days. **(Areas subject to availability kindly confirm with the bus company)**

TERM 1 - 2026-2027: ECAs Junior School Club Descriptions

Acrylic Painting	In this Acrylic Painting ECA, students will explore colour, texture, and creative techniques to produce expressive artworks. Through experimentation, students build confidence, resilience, and painting skills and come away with a collection of work to be proud of.
Animals Around the World	Explore a new habitat or environment around the globe each week and learn about the amazing animals that live there through projects and creative activities.
Arabic Choir	Come and join our Arabic Choir and discover the joy of singing together! Students will learn lively and meaningful Arabic songs while building confidence, teamwork and performance skills. The choir will proudly perform as part of our UAE National Celebrations and at the End-of-Term ECA Showcase. Whether you already love to sing or simply want to give it a try, everyone is welcome!
Around the World Club	Pack your imagination and get ready for an adventure! Each week, we will visit a different country, discover its culture, landmarks, traditions, and wildlife through engaging videos, discussions, and fun activities. This club is a fantastic way to learn about the world, celebrate diversity, and develop a greater understanding of different people and places.
Brain Teasers Club	Challenge your mind and sharpen your problem-solving skills in the Brain Teasers Club! This is the perfect place for anyone who loves puzzles, riddles, and intellectual challenges. Each week, we tackle a variety of activities, including: Numbers: Crack tricky math puzzles, sequences, and logic-based challenges. Letters and Words: Solve anagrams, crosswords, and clever wordplay games. Hidden Messages: Decode cryptic clues and ciphers to uncover secret messages. Clues and Riddles: Work together to solve mind-bending mysteries.
Chess	Explore strategic moves, enhance critical thinking, and foster camaraderie among fellow enthusiasts. Novices and experts alike welcome to delve into the timeless world of chess mastery. Checkmate boredom and join us!
Choir	Junior Choir is for selected students in Years 4 to 6 who demonstrate strong vocal potential, musical awareness, and a positive rehearsal attitude. Students are chosen based on: Accurate pitching and rhythmic security; Ability to listen and blend within an ensemble; Confidence and stage presence; Commitment and rehearsal discipline. In this ensemble, singers further develop healthy vocal technique, breath control, part-singing (including harmonies), expressive performance, and musical independence. Members represent the school at key concerts, assemblies, and special events. A high level of commitment is expected—because excellence isn't accidental. It's rehearsed. If you've been selected, it means you've shown potential. Now it's time to grow it. 🎶
Clay Club	Join Clay Club, where imagination meets hands-on creativity! This exciting ECA is perfect for anyone who loves to mould, sculpt, and bring their artistic ideas to life. Whether you're a beginner or a budding artist, Clay Club is the perfect place to express yourself, develop fine motor skills, and create something amazing to take home. Come ready to roll, squish, and sculpt—let's get our hands dirty and our creativity flowing! Students will need to bring their own clay!

Country Facts	Green Corner for Our School General Goal: Instilling the value of caring for the environment and responsibility among students through the creation of a beautiful Green Corner in the school. Duration: 17 weeks. Final Outcome: An organized Green Corner + a short student presentation about their experience.
Curiosity Club	Science/STEM/Sustainability based ECA. An opportunity for all curious minds to explore, experiment and discover through hands-science investigations and exciting challenges. Children will develop their enquiry and innovation skills by asking questions, investigating ideas and problem solving whilst exploring sustainability and discovering the science behind the world around us.
Girls Football	Join our Football ECA for an exciting blend of skill-building and teamwork on the field. Students will enhance their football abilities through drills, friendly matches, and a focus on sportsmanship. Unleash your passion for the game and score unforgettable memories!
Eco warriors	Eco warriors from each class to come together and develop the sustainable initiatives we promote in school and in the wider community.
Headspace Hub	A welcoming after-school club where students build confidence, learn to manage big feelings, and practice calm, healthy ways to handle stress. Through fun activities, games and real-life skills, children grow stronger minds, better emotional control and a more positive sense of self together.
Journaling club	Discover inner creativity and self-expression in our ECA. Join us after school to explore writing, drawing, and reflection. Unleash your thoughts on paper and cultivate a lifelong habit of journaling.
Little Artist's Club	Exploring techniques and having fun with Art and Photography.
Mosaic Masters	Get ready to turn tiny pieces into amazing works of art! In Mosaic Masters, you'll explore the colourful world of mosaic, design your own creations, and bring your ideas to life piece by piece. From famous UAE landmarks and Emirati heritage to patterns inspired by local culture, you'll have the freedom to experiment, create and express your own style. Work on individual and team projects, learn new mosaic techniques, and help create a special final masterpiece to proudly display at school.
Multilingual Crossword Challenge	A fun and interactive ECA where students solve a new crossword each week based on a different theme Animals | Food & Drinks | Countries & Places | Family | Weather & Seasons | Sports | Nature & Environment | Space | Jobs & Professions| Feelings & Emotions. The puzzles will be in English, French or Arabic depending on the students' age and level. Students will use clues and hints to find the answers, learn new vocabulary and enjoy a friendly challenge. At the end of each session, we will review the words together to help students remember them. The ECA will finish with a final challenge to find our Crossword Champion!

Multi Sports	Multi-Sport is a fun and energetic club where children can enjoy a variety of different sports each week. From football to basketball, athletics to team games, students build skills, fitness, and teamwork while having fun with friends.
Multiplication Station	Become confident with your times table knowledge at the multiplication station!
Philosophy for Children	Philosophy for Children (P4C) is a discussion-based activity designed to develop children's ability to think deeply, question ideas and explain their reasoning. Through carefully chosen stories, images, videos and thought-provoking questions, children are encouraged to move beyond simply recalling information and instead activate hard thinking by making connections, considering different perspectives, evaluating ideas and justifying their opinions. A good understanding of spoken and written English is essential, as children need to understand complex ideas, participate in discussions and express their thinking clearly. P4C is therefore particularly suited to children who are confident English speakers and are ready to challenge themselves.
Polymer Clay Club	Students will get creative using polymer clay to design and craft their own miniature sculptures, and small art pieces to take home. Perfect for unleashing imagination, developing fine motor skills, and trying out new sculpting techniques in a fun, relaxed environment.
Repton Theatre - Invite	If you want be part of our amazing school production, then the process starts with the audition! Look out for the email to give more details!
Y3 Singing Club	Is your child a budding performer or perhaps just loves to sing? If so, this club is for them! Singing supports mental well-being, confidence and emotional expression as well as fostering a sense of community.
Touch Rugby	Touch rugby is a fast-paced, non-contact sport that emphasizes agility, teamwork, and strategy, making it an inclusive and exciting variation of traditional rugby.
Wellbeing ambassadors	"Our Wellbeing Leaders ECA gives students the opportunity to become positive role models and advocates for wellbeing within our school community. Students will be invited to apply by sharing why they are passionate about wellbeing and how they would contribute to supporting their year group. Wellbeing Leaders will develop their leadership skills by supporting peers, promoting positive wellbeing, and sharing ideas for creating happy, inclusive and positive classroom environments."
Ukulele Club	A fun club where students learn ukulele techniques, chords, strumming, and essential ensemble skills while learning fun songs. Students will rehearse together and build confidence in preparation for a special Winter Concert performance."
